

### 3rd AOPAS Meeting @ Bhubaneswar from 29th March to 31st March 2019

Session Start	Session Finish	Duration	Talk Start	Talk Over	Mayfair Convention Centre		Speakers
<b>DAY-1, 29th March 2019</b>							
07:00	08:00	01:00			Registration- Workshop (Basic and Advanced)		
8:00	13:15	5:15			Advanced Cadaveric Workshop @ AIIMS, Bhubaneswar		
					Basic Cadaveric Workshop @ KIMS, Bhubaneswar		
13:15	13:30	0:15			Transport From Workshop (AIIMS/ KIMS) to Mayfair Convention Centre		
13:30	14:30	01:00		01:00	Lunch Break		
14:30	14:45	0:15			Welcome Note: Faculty Introduction: Course Overview		Dr. CP Das
<b>SESSION-1</b>							
14:45	15:40	00:55	Talk Start	Talk Over	Understanding Pelvic Injury (Basic science, Classification, Acute Management)		
					Moderators :Dr. G. Ashok Raju, Dr. Puneet Mishra		
		00:10	14:45	14:55	Clinical and radiographic anatomy of the pelvis	1A	Dr. Abhay Ehlenca
		00:10	14:55	15:05	Classification Of Pelvis Fracture	1B	Dr. JT Papanachari
		00:10	15:05	15:15	Patho-physiology / Evaluation of the severely injured with Pelvis Fracture	1C	DR John Mukhopadhaya
		00:15	15:15	15:30	Acute management of pelvic ring disruption: Role Of Binder, hemorrhage control, role of angiography and packing	1D	Dr. Carlo F Sancineto
		00:10	15:30	15:40	Discussion		
		00:15	15:40	15:55	Coffee Break		
<b>SESSION-2</b>							
15:55	17:05	01:10	Talk Start	Talk Over	Definitive Management of Pelvic Injuries		
					Moderators : Dr. Pradeep Nemade, Dr. CH Sagi		
		00:08	15:55	16:03	Decision making for pelvic ring injuries	2A	Dr Atul Patil
		00:08	16:03	16:11	Approaches, reduction, and fixation techniques— anterior ring	2B	Dr. Lokesh AV
		00:08	16:11	16:19	Approaches, Open Reduction And Plating Of SI Dislocation	2C	Dr. Dinesh Kale
		00:08	16:19	16:27	Percutaneous Ilio-Sacral Screw Fixation	2D	Dr. PK Raju
		00:08	16:27	16:35	Decompression /ORIF - Sacrum fracture	2E	Dr. Carlo F Sancineto
		00:12	16:35	16:47	Spino-pelvic fixation- Indications, Technique, Tips and Tricks	2F	Dr. Henry Claude Sagi
		00:08	16:47	16:55	Results of treatment of pelvic ring fractures	2G	Dr. Carlo F Sancineto
		00:10	16:55	17:05	Discussion		
<b>SESSION-3</b>							
17:05	18:00	00:55	Talk Start	Talk Over	Basic Science-Acetabulum Injuries		
					Moderators : DR John Mukhopadhaya, Dr. Tania Ferguson		
		00:10	17:05	17:15	Blood Supply to Femoral Head	3A	Prof. Anatomy, AIIMS, BBSR
		00:10	17:15	17:25	Classification - Acetabulum fractures	3B	Dr. U. Sadhu
		00:15	17:25	17:40	Radiology of acetabular fractures- interpreting the xrays and understanding fracture patterns	3C	Dr. Tania Ferguson
		00:10	17:40	17:50	Surgical Indications for Acetabular fractures	3D	Dr. Dillip Patel
		00:10	17:50	18:00	Discussion		
<b>CLOSE -End Of Day-1</b>							
18:30	19:15	00:45			Inauguration Of the Conference		
19:15	20:15	01:00			GB meeting		
19:15	23:00	03:45			Dinner And Musical Night		
<b>Day-2</b>							

7:30	09:30	02:00			<b>Live Surgery/ Video Presentation on THR through Direct Anterior Approach</b>		Dr. Tania Ferguson
<b>SESSION-4</b>							
			Talk Start	Talk Over	Moderators : DrDr. Vivek Trikha, Dr. Dinesh Kale		
9:30	10:20	00:50			<b>Miscellaneous Pelvic Conditions</b>		
		00:10	09:30	09:40	Open Pelvic fractures	4A	Dr. Henry Claude Sagi
		00:10	09:40	09:50	Emergency Stabilisation of Pelvic Injury-Fixator Options-Transiliac Or Infix	4B	DR John Mukhopadhaya
		00:10	09:50	10:00	Floating hip injuries (acetabulum fracture with prox. femur)	4C	Dr. Dhaval Desai
		00:10	10:00	10:10	VTE in Pelvi-acetabular Trauma	4D	Dr. Sameer Agarwal
		00:10	10:10	10:20	Discussion		
10:20	10:30	00:10	10:20	10:30	Photo Session		
10:30	10:45	00:15	10:30	10:45	<b>Coffee Break</b>		
<b>SESSION-5</b>							
10:45	12:05	01:20	Talk Start	Talk Over	Classical Anterior and Posterior Exposures in ORIF of Acetabular Fractures		
					Moderators : Dr. Dillip Patel, Dr. Ashok Das		
		00:10	10:45	10:55	Choice of Surgical Approach in ORIF Of Acetabular Fractures	5A	Dr. Abhay Ehlenca
		00:10	10:55	11:05	Kocher Langenbeck Approach- The learners approach to acetabular ORIF	5B	Dr. Ashok Das
		00:10	11:05	11:15	KL Approach +/-Trochanteric flip- Essential Steps	5C	Dr. JT Papanachari
		00:15	11:15	11:30	Gibson's Approach +/- Flip Troch Osteotomy- How it is different from KL approach	5D	Dr. Ramesh Sen
		00:10	11:30	11:40	Essential Steps of Ilio-Inguinal Approach	5E	Dr. Vijay Sharma
		00:15	11:40	11:55	How I fix ABC #s through Ilio-Inguinal Approach	5F	Dr. Tania Ferguson
		00:10	11:55	12:05	Discussion		
<b>SESSION-6</b>							
12:05	13:31	01:26	Talk Start	Talk Over	MIS and Extensile Approaches in ORIF Of Acetabular		
					Moderators : Dr. Ramesh Sen, Dr. Lokesh AV		
		00:15	12:05	12:20	Understanding Stoppa's Approach and Points to take care for safe execution of Fracture fixation through Stoppa's	6A	Dr. Henry Claude Sagi
		00:12	12:20	12:32	How I fix ABC #s through Stoppa's Approach	6B	Dr. Pradip Nemade
		00:12	12:32	12:44	Ilio-Femoral Approach-Surgical Steps- Application of this approach in TV, T and AC+PHT #s	6C	Dr. Ramesh Sen
		00:15	12:44	12:59	Extended Ilio-Femoral Approach-its Application in today's world!	6D	Dr. CP Das
		00:12	12:59	13:11	Pararectus Approach- An emerging exposure	6E	Dr. G. Ashok Raju
		00:10	13:11	13:21	Importance of Special Surgical Instrumentations in Pelvi Acetabular Surgery	6F	Dr. Tarun Goyal
		00:10	13:21	13:31	Discussion		
13:31	14:30	00:59			<b>Lunch Break</b>		
<b>SESSION-7</b>							
14:30	15:20	00:50	Talk Start	Talk Over	Reduction Techniques- Acetabular Fractures		
					Moderators : Dr. Rakesh Rajput, Dr. Carlos. F Sancineto		
		00:08	14:30	14:38	Tips And Tricks in Reduction Of Posterior Wall / Column fractures	7A	Dr. Carlos F. Sancineto
		00:08	14:38	14:46	Reduction Of Transverse / T Fractures-Special Emphasis on Transtectal Types	7B	Dr. S. Kasha
		00:08	14:46	14:54	Ant Column, Anterior wall & Posterior Hemi - transverse fractures- Reduction And Fixation- Tips And Pearls	7C	Dr. Puneet Mishra
		00:08	14:54	15:02	Where Reduction demands Two Approaches- Sequential and Simultaneous	7D	Dr. Pradeep Kathodia
		00:08	15:02	15:10	Both Column fractures- Reduction Techniques	7E	Dr. Vivek Trikha
		00:10	15:10	15:20	Discussion		
15:20	15:35	00:15			<b>Coffee Break</b>		
<b>SESSION-8</b>							
15:35	17:10	01:35	Talk Start	Talk Over	Masters Session		
					Moderators : Dr. CP Das, Dr. Sameer Agarwal		
		00:15	15:35	15:50	Quadrilateral Floor fractures in Elderly- My choice of management with a new implant	8A	Dr. Ramesh Sen

		00:15	15:50	16:05	Combined Pelvi- acetabular Injuries: Different Strokes	8B	Dr. Vivek Trikha
		00:15	16:05	16:20	TOTAL HIP REPLACEMENT FOR ACUTE ACETABULAR FRACTURES- Indications & Technique- Through DAA	8C	Dr. Tania Ferguson
		00:15	16:20	16:35	When Pelvic Fractures present Late- My approach to management	8D	Dr. Carlos F. Sancineto
		00:15	16:35	16:50	Lately presenting Acetabular fractures- ORIF and it's Outcome.	8E	Dr. CP Das
		00:15	16:50	17:05	Acetabular fractures in Osteoporosis - Fixation indications, techniques and challenges	8F	Dr. Tania Ferguson
		00:10	17:05	17:15	Discussion		
					<b>SESSION-9</b>		
17:15	18:00		Talk Start	Talk Over	Complex Situations: Rapid Fire Panel Discussion -Complex Pelvi Acetabular Injuries (Depending on the cases received from faculties and delegates)		
					Dilema in Surgical Approach- ORIF Fractures of Acetabulum ORIF or Arthroplasty- Acetabular fractures		
					Pelvis First or Acetabular Fractures First- Combined Pelvi Acetabular Injuries		
					Sequencing the ORIF -associated type acetabular fractures		
					<b>SESSION-10</b>		
			Talk Start	Talk Over	Moderators : Dr. JT Papanachari, Dr. U. Sadhu		
18:00	18:30			00:30	Obesity Decoded		Dr. Krishna Kiran
18:30	18:45			00:15	Where we started our Journey in Pelvi Acetabular Surgery in India?		Dr. CJ Thakkar
18:45	19:00			00:15	Felicitatation Of Overseas Faculties and Certifictce Distribution to Overseas Delegates		
19:00					<b>CLOSE Day-2</b>		
19:30	23:00				<b>Gala Dinner and Entertainment Program</b>		
					<b>Banquet with Gala Dinner</b>		
					<b>DAY-3</b>		
8:00	09:30			01:30	ORIF - ABC Fracture Acetabulum: Dr. T. Ferguson, Dr. P. Kathodia and Dr. P. Nemade- Moderator- Dr. HC Sagi		Dr. K. Kiran & Dr. R. Rajput
					<b>SESSION-11</b>		
9:30	10:30			01:00	"Young Surgeon's" Competition Papers Session- 4 mins Presentation and 3 Minutes Discussion		
					Case Presentations (Case or Case series Presentations) X 08 such maximum entry ( <b>Best Paper award</b> )		
					Panelist- Overseas Faculties and 3 National Faculties		
10:30	10:45			00:15	<b>Coffee Break</b>		
					<b>SESSION-12</b>		
10:45	12:00		Talk Start	Talk Over	Miscellaneous Acetabular Fracture Talks		
					Moderators : Dr. Abhay Ehlenca, Dr. Pradeep Kathodia		
		00:15	10:45	11:00	Acute total hip arthroplasty in fragility acetabular fractures - Indications and techniques	12A	Dr. Tania Ferguson
		00:08	11:00	11:08	Impaction Injuries of Anterior Column/ Wall- Technique Of Reduction	12B	Dr. Pradip Nemade
		00:08	11:08	11:16	Impaction Injuries of Posterior Wall- Technique Of Reduction	12C	Dr. Pradeep Kathodia
		00:08	11:16	11:24	Percutaneous Fixation in Acetabular Fractures	12D	Dr. Dinesh Kale
		00:08	11:24	11:32	THA in Acute Acetabular Fractures-My Experience	12E	Dr. Krishna Kiran
		00:08	11:32	11:40	THA in Neglected Acetabular Fractures	12F	Dr. Rakesh Rajput
		00:08	11:40	11:48	My experience with complex acetabular surgery-	12G	Dr. Emalwaedak Wardak, Kabu
		00:12	11:48	12:00	Discussion		
					<b>SESSION-13</b>		
12:00	12:50		Talk Start	Talk Over	Allied Hip Conditions- Dysplastic Hip		
					Moderators :Dr. Dhavol Desai, Dr. S. Khasa		

		00:15	12:00	12:15	Radiographic interpretation in Hip Dysplasia	13A	Dr. Tania Ferguson
		00:15	12:15	12:30	PAO techniques and outcomes	13B	Dr. Tania Ferguson
		00:10	12:30	12:40	THA in Dysplastic Hip Joints- Technique, Tips and Pearls	13C	Dr. Stanislav Bondarenko
		00:10	12:40	12:50	Discussion		
12:50	13:00	00:10	12:50	13:00	Distribution Of Certificates , Vote Of Thanks and Closing Ceremony		
					<b>Lunch</b>		
					There may be one more Live Surgery Session subject to availability of the case. It would be declared on the 29th March at 6 PM		
					<i>The case would be booked for 30th. March afternoon against cancellation of session-6.</i>		
					This extra Live Surgery could be a THR for Failed Acetabular Surgery or Percutaneous Fixation Of Acetabular Fracture.		
					The ORIF of the ABC Fracture Would Continue much after the lunch break on 31st March. Delegates staying beyond lunch time could participate
