

# AOPAS-2019

**29<sup>TH</sup> - 31<sup>ST</sup> MARCH 2019 | MAYFAIR CONVENTION CENTRE, BHUBANESWAR**

Dear Friends,

Greetings from Bhubaneswar!!

We are only two weeks away from the AOPAS “3rd Annual Conference”, scheduled to be held at Bhubaneswar from 29<sup>th</sup> to 31<sup>st</sup> March 2019. I hope you all have received and gone through the program for the conference and the workshop, which was sent out a week ago.

For the delegates, we have a “worst case scenario” session on the last day. The title of your talk would be “My Worst Case”. You need to submit a pelvi-acetabular injury case, where you had some big challenges during the management. The lessons learnt by the presenter from such cases should throw some light on how to avoid such complications or challenges or take appropriate decision etc in such situations. The experience of the presenter from such case should deliver a definite message to the delegates. The surgeon contributing such case shall present the case in 4 minutes, while the discussion and the final opinion would be covered in the next 3 minutes. We shall limit the number of such presentations to 8 only. There is a “Best Presentation” award in this session, which would be based on the content of the case, the presentation and the take home message. We shall receive cases till 28<sup>th</sup> of March and in the event of more entries, appropriate cases would be selected on “first come first serve” basis. Hence I request you to send your presentation before 28<sup>th</sup> of March 2019.

See you all soon at Bhubaneswar.

With best wishes,

Yours truly,

Dr. CP Das
